**FOR IMMEDIATE RELEASE**

**Sci-Fi, Fantasy, Magic All Combine in ‘*The Diary of Oliver Lee*’**

Learn the truth of mystery behind Oliver Lee in this puzzling fantasy novel, and the first book in the Liturian trilogy.

As a young boy, Kevin is pulled toward a mysterious used bookstore that only he seems to see. He meets its eccentric sales clerk who gives him the diary of a man named Oliver Lee. The boy takes the book home and reads of the old man’s lifelong search for a couple he has never met, as well as his journey through the lives of the fantastic and the ordinary to find and save their lives.

After he finishes reading the diary, the boy races back to the bookstore, only to find that it is now empty.

*The Diary of Oliver Lee* tells the tale of the last Liturian, cursed and blessed with the ability to “stream” stories from the minds of others and tell the tales they can’t.

“We are thrilled to announce the release of this fascinating novel that is the first of a trilogy and a page turner from start to finish,” said Robert Fletcher, CEO of Strategic Book Publishing and Rights Agency.

**About the Author:** A native of Peoria, Illinois, Kenneth Rogers, Jr. set his story in a small town in Illinois. He is currently an English teacher for Baltimore City Schools. This is his fourth book.
